friday the 13th the game - jason part 7 machete kill pack

Why did I buy a three-kill DLC for three dollars each? Christ, overpriced.. Don't care, just take my money.. THIS IS MY FAV JASON!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! LOVE IT! Wish the offline mode had more bots! IT's fun to kill them, but 10-15 maybe 20 bots would be awesome!!!!!!!!!! Great! Worth the \$3. You won't regret buying!. I really wish there was an 'in between' recommendation sometimes. Cause this kill pack is... kinda meh? Once again, you get 3 kills. Kinda get what you pay for really. And they're some BRUTAL kills. That being said, its for the weakest Jason in the game. I guess if you have a few extra bucks, feel free to buy this pack.

That being said, are you REALLY going to play Part 7 Jason more than once?

MAKES JASON EVEN MORE RELENTLESS! I LIKE THESE KILLS ALOT!. One of my favourite kills for sure ! 10V10. More Kills Always better ;). Very good kills, Ben did good game. 10V10. Nice but is 3 kills and this is not very good for 2,99.. LIT i can kill dasddy with this and hes \u2665\u2665\u2665\u2665ing high. Very sexy kills for sexy man. A sweet DLC containing three Nice new machete kills for Jason Part VII, One of it being the famous execution just like Pamela Voorhees died in Friday the 13th Part 1.

Probably a tough price for three kills just like the Part IV kill pack. But it's just like a cosmetic pack and not gameplay influencing. So if you want to perform bada\$\$ kills with a machete go and purchase it.. In this DLC, not only do you get to freshen up Machete Wielding Jason (who's my favorite because machetes) but you get a brand new, unendingly pleasurable kill called " The Pamela"

And it is EXACTLY... what you think it is.

10 out of 10. MUST buy for Hodder fans since part 7 was his grand entry let alone hardcore fans of the original movie because of the \u2665\u2665\u2665\u2665ing amazing kill listed above :)

The other 2 are wonderful as well. One is a variation of the Evicerate kill and the other is lovely and gruesome. Sliced open throat (as its can opener name implies) before Jason pushes it off. Pretty damn grisly and gives part 7 jason some very wicked moves.

Now we got 2 dismemberment kings. part 7 and part 4.
Can't wait to see what they'll do with Jason X when we get him.
